

## Scout February Freezer Camp 2022

This February we will be having our own freezer camp! We'll be under canvas and doing activities to keep us warm.

**When? 26<sup>th</sup> to 27<sup>th</sup> February**

**Time? Drop off 12pm Saturday and pick up 12pm Sunday**

**Where? Hundall District Scout Campsite, Unstone, Dronfield S18 4BP**

**How much? Included in subs**

**What will we be doing?** There will be chance to join in different activities, including cooking, fire lighting and a chance to learn more skills. The Scouts will be working towards their outdoor challenge badges, camper badge, nights away and completing aspects of other badges.

**Everyone will need to have eaten their breakfast prior to attending. We will provide lunch, evening meal, supper, breakfast and any snacks – we kindly ask that your child does not bring any food with them.**

**Donations?** 186th Sheffield Scout Group pride ourselves on being financially inclusive and charging families only for the costs we need. However, to enable this to happen we need to fundraise in other ways to allow us to purchase the ongoing equipment and resources we need. We therefore invite parents who are able to donate on top of the camp fee to visit <http://paypal.me/186sheffield> to make a one-off payment or to include it with their payment. The suggested amount is £5.

To confirm your child's place please complete and return the attached forms **as soon as possible** and no later than 22<sup>nd</sup> February.

If you have any questions or would like more information, please see Craig.

## More details

**Getting there:** All members will be required to make their own way to the camp. The campsite is in the countryside with narrow roads. We have been asked by buildings surrounding the campsite that access to other buildings is not restricted, therefore please park in a way that does not block anyone.

**Times:** Arrival time is 12:30pm on the Saturday and departure is 12pm on the Sunday. Please do not arrive early as the leaders will be setting the camp up ready for the weekend, unless by prior arrangement with the camp lead.

**Named Camp Lead:** Craig Judson (Scout Leader)

**Adults on site:** All adults on site will have a suitable DBS check, be registered with the Scout Association and have completed or in process of completing relevant training.

**Emergencies:** The safety of everybody on camp is prioritised and should the weather become extreme or another emergency occur then our 'In Touch' procedures will be initiated. We also have an active hypothermia management plan for the duration of the camp. Please speak to a leader should you have any concerns

**Buildings:** We will have access to a building that has heating and cooking facilities. This building will also be used during really bad weather.

**Kit List:** Attached is a kit list that each person will need to bring with them. If your child does not have any item from the kit list, please speak to a leader as soon as possible who will have access to a limited supply of spare items that your child can borrow. **Please ensure warm clothing and a blanket is packed for this camp.**

**Medications:** All medications required should be clearly labelled and handed to the camp leader at the start of camp. If your child usually takes any medication for ADHD or associated conditions, please ensure this medication comes to camp with your child, even if it is normally only used in school settings.

**Cleaning/washing facilities:** There are toilets and sinks available on site. If your child requires extra support with this, please ensure we are made aware prior to the camp.

**Electronic devices:** No electronic devices are allowed on this camp, this includes mobile phones and game consoles. Should your child need to get in contact with you or you need to speak to your child, a mobile phone number will be available during the event: Craig Judson - 07784465026

**Food:** We do not allow any items that contain nuts on camp, this is due to allergies of other children and adults. We will provide a lunch once tents are pitched so please ensure they've had a breakfast. The Scouts will make an evening lunch, have some supper and cook a breakfast Sunday morning. We will provide all food including snacks and sweets – **we therefore ask that your child does not bring any food..**

**Sleeping arrangements:** Everybody will be sleeping in tents throughout the weekend, with children separated according to age/gender, where appropriate and in accordance with the rules of the Scout Association. We understand that sleeping outside can be a bit scary sometimes, but your child will be supported throughout and helped if required. A teddy bear or something from home can be a good way to get over home sickness.

## Kit list

Name: \_\_\_\_\_

Please use this kit list as a guide and feel free to alter based on your child's needs and time of year – please remember even in the summer it can get cold at night. **We provide plates and cutlery**

**No electronic devices including mobile phones, No food/sweets/snacks (we will provide)**

- Full uniform, including necker and woggle. Please wear this when arriving
- Camp blanket
- Sleeping bag – **4 season, ideally mummy style; if you don't have a 4 season one let Craig know and we'll sort one for your young person to borrow.**
- Sleeping mat – self inflating preferable, otherwise foil backed (not an air bed)
- Pillow
- Warm waterproof coat / waterproof jacket
- Waterproof trousers
- Waterproof walking shoes / boots
- Old trainers for general wear
- Old shoes / trainers for getting wet
- At least 2 changes of clothes, plus a change of old clothes to get wet and muddy in
- Warm jumper / hoody
- Thermal top and trousers (e.g. long johns)
- Pyjamas (trousers and long sleeved-top)
